## Contents

### An introduction to the Anthropocene: case for and against a new epoch

- **WATERS, C. N., ZALASIEWICZ, J. A., WILLIAMS, M., ELLIS, M. A. & SNELLING, A. M.** A stratigraphical basis for the Anthropocene?  

- **FINNEY, S. C.** The ‘Anthropocene’ as a ratified unit in the ICS International Chronostratigraphic Chart: fundamental issues that must be addressed by the Task Group  

- **GIBBARD, P. L. & WALKER, M. J. C.** The term ‘Anthropocene’ in the context of formal geological classification  

- **ZALASIEWICZ, J., WILLIAMS, M. & WATERS, C. N.** Can an Anthropocene Series be defined and recognized?  

### The nature of anthropogenic deposits and landscape modification

- **FORD, J. R., PRICE, S. J., COOPER, A. H. & WATERS, C. N.** An assessment of lithostratigraphy for anthropogenic deposits  

- **EDGERTON, M.** The relationship between archaeological stratigraphy and artificial ground and its significance in the Anthropocene  

- **ZALASIEWICZ, J., KRYZA, R. & WILLIAMS, M.** The mineral signature of the Anthropocene in its deep-time context  

- **SNOWBALL, I., HOUNSLOW, M. W. & NILSSON, A.** Geomagnetic and mineral magnetic characterization of the Anthropocene  

### A biostratigraphical signature for the Anthropocene

- **WILLIAMS, M., ZALASIEWICZ, J. A., WATERS, C. N. & LANDING, E.** Is the fossil record of complex animal behaviour a stratigraphical analogue for the Anthropocene?  

- **BARNOSKY, A. D.** Palaeontological evidence for defining the Anthropocene  

- **HOEGH-GULDBERG, O.** Coral reefs in the Anthropocene: persistence or the end of the line?  

### Geochemical signatures and catastrophic events

- **GALUSZKA, A., MIGASZEWSKI, Z. M. & ZALASIEWICZ, J.** Assessing the Anthropocene with geochemical methods  

- **FAIRCILD, I. J. & FRISIA, S.** Definition of the Anthropocene: a view from the underworld  

- **WOLFF, E. W.** Ice Sheets and the Anthropocene
